Hollingworth Lake Sailing Club is situated alongside the B6225 Milnrow to Littleborough road.

From J21 on the M62 (Milnrow) turn left at the 2nd (from E) or 3rd (from W) exit roundabout towards Rochdale. Follow the brown tourist signs to Hollingworth Lake for approximately two miles. This entails a right turn at the first set of traffic lights, a left turn at the mini roundabout by The Bobbin pub and then another left turn at the top of the hill before the Gallows pub, following the B6225.

At the next mini roundabout turn right and follow the road as it swings left round a corner.

The Sailing Club is on your right-hand side, 150m, with access from the car park ('Pay & Display'), The first opening is the exit route.

## **Parking**

Cars may park in the dinghy park, but only in the area on right hand side adjacent to Hollingworth Road - 12 spaces.

There is a Pay & Display car park directly adjacent to the dinghy park, the fee is £5 per day. Payments at the machine at either end of car park by coins, card or contactless (coins recommended).

Overspill car parks are at Hollingworth Road & Hollingworth Lake Country Park.

Very limited free on road parking is available in surrounding streets, but please note the resident only areas as fines will be given for cars parking without a permit.
